Training « Emmaüs: Europe in all of its facets! »

Programme

Emmaüs Cologne Community
Germany

Emmaus Europe and the Training and New Generation World Council propose from 13th to 16th of November 2016 (arrival on Sunday 13th November from 5pm – departure on Wednesday 16th November at the beginning of the afternoon) a training seminar on the theme of:

« Emmaus: Europe in all of its facets! »

Objectives of the training:

- Understand the founder's story
- Understand how Emmaus International and Emmaus Europe were created
- Identify the founding values
- Enable people to understand Emmaus' history and its originality
- Grasp the European dimension of the Movement
- Bring alive and implement the Movement's values in the participating groups
