

Dear friends,

The next session of the training called "*Emmaus: Europe in all of its facets!*" will take place from **June 3<sup>rd</sup> to 6<sup>th</sup>, 2018, hosted by the Emmaus community in Cologne, Germany. If you wish, it is possible to arrive before the training and/or to extend your stay to share the life and activities of German groups.**

Thanks to the presence of resource persons from the Emmaus Movement, this training proposes to focus on:

- Understanding the history of Emmaus and its founder, Abbé Pierre
- Appropriation of the fundamental values of the movement
- The international and European dimension of the movement
- Transmission of the dimensions of the movement to new member groups
- The movement's orientations as from the 2016 World Assembly

The training is intended for companions, volunteers, managers, employees and friends who wish to strengthen their sense of belonging to the Emmaus Movement. Note that this training is different, (and therefore complementary), from the training "*The history of Emmaus*" proposed by Emmaus France.

Would you like to learn how to transmit what Emmaus means to you, while enjoying exchanging on practices, visions and values of our movement? Then register right away! Please fill in the registration form here attached and send it **before May 15<sup>th</sup>, 2018** to: [marie.tixier@emmaus-europe.org](mailto:marie.tixier@emmaus-europe.org)
